Plan My Move Booklet for Travis Air Force Base

Overview

Location

Travis Air Force Base is located in Solano County in Northern California near the cities of Fairfield, Suisun City, and Vacaville. This is considered to be a high cost of living area. Travis lies midway between Sacramento, the state capital, and San Francisco, the cultural heart of the West Coast. The base is within easy driving distance of California Wine Country in the Napa and Sonoma Valleys, as well as the popular tourist destinations Lake Tahoe, Yosemite National Park and Monterey. The base operator's phone number is 707-424-1110 or DSN 312-837-1110.

History

What began as an isolated airstrip on a windswept California prairie, with a few tarpaper barracks and maintenance hangers, is now the site of the largest military aerial port in the United States that provides global mobility through airlift and aerial refueling. The base has also supported humanitarian relief efforts on every continent, as well as provided special airlift support for everything from presidential travel to scientific research conducted by America's space program. For more history on Travis AFB visit the installation's [homepage](#).

The 60th Air Mobility Wing (AMW) is the largest organization in Air Mobility Command (AMC) and flies the Lockheed C-5 "Galaxy", the C-17 "Globemaster" and the KC-10 "Extender" tanker on a daily operational basis. As host unit for Travis Air Force Base (AFB), the 60 AMW controls more than two billion dollars worth of Air Force resources, including aircraft and support facilities, on more than 6,000 acres of land. The Travis family includes not only the host 60 AMW, but the Air Force Reserve counterpart, the 349 AMW. Also headquartered at Travis AFB are the 15th Expeditionary Mobility Task Force and the 615th Contingency Response Wing, which provides AMC the capability to meet its global mobility task force commitment anywhere in the world. 60 AMW also consists of four groups: the 60th Operations Group, the 60th Maintenance Group, the 60th Mission Support Group, and the 60th Medical Group (which includes the David Grant USAF Medical Center).

Mission

The primary mission is to provide rapid, responsive, reliable airlift of forces to any point on Earth in support of our national objectives and to fulfill the global logistics needs of the Department of Defense in sustaining its world wide activities.

Base Transportation

Currently, there is no base transportation on this installation.

Sponsorship

Sponsors will be assigned when requested. If you do not hear from your sponsor in a timely matter, contact the relocation assistance manager at the Airman & Family Readiness Center, 707-424-2486. Your sponsor will act as your POC at Travis, he/she will send you a Welcome Packet and be able to address any questions or concerns you or your family members might have. Be sure to express your needs as well as your family needs to your assigned sponsor. If your sponsor is not meeting the meeting your needs call the relocation assistance manager at the Airman & Family Readiness Center, 707-424-2486.

If you will be arriving between 7:00 a.m. and 3:30 p.m., Monday through Friday, report to the INTRO Office in Building 381, Room C102, Customer Service to drop off your personnel records and make your in-processing appointments, 707-424-2271. If you arrive after duty hours or on a weekend/holiday, the 24-hour arrival point is the Westwind Inn Lodging Office located on Travis Ave., building 402, 707-424-8000.

The General Delivery mail is held at the Postal Service Center, Building 1348, 707-424-5570. The forwarding address is: Rank, Name, PSC-3, 694 A Street, General Delivery, Travis AFB, CA 94535.

Temporary Quarters

The Westwind Inn Lodging Office is located off Travis Avenue, building 402. If you arrive after duty hours or on a weekend/holiday, the 24-hour arrival point is the Westwind Lodging Office. Family quarters (TLFs) can comfortably accommodate families with pets. Space is limited so reservations should be made in advance to ensure your family will be accommodated. Transient quarters are available for individuals traveling alone. The Westwind Inn can be contacted at 707-424-8000.

Relocation Assistance

Relocation assessment and referral is offered to help families prepare and adjust before, during, and after the relocation process. Please contact the Travis AFB Airman and Family Readiness Center at 707-424-2486 for more information.

Base Newcomer's Orientation is held Fridays from 7:20 to 11:00 at the Airman & Family Readiness Center. A Spouse Newcomer's Orientation is held Fridays from 9:45 a.m.- 12:00 p.m. at the Airman & Family Readiness Center.

The Air Force Aid Society will pay for 20 hours of child care per child within 60 days of your arrival at Travis. See the Airman and Family Readiness Center for a voucher.

Critical Installation Information

Solano County is a high cost of living area, members PCSing to Travis are advised to visit their current installations Airman & Family Readiness Center to create a budget to ensure financial stability. Privatization of on base housing scheduled in the near future. There is a waiting list for on-base housing as well as a waiting list for the three Child Development Centers on base. Inbounds members are advised to contact both organizations for more information. Contact information can be found in this guide.

Sponsorship

Settling into your new location and your new unit takes time. [Plan My Move](#) is designed to assist you with information about your new location. Complimenting Plan My Move each of the military Services has a Sponsorship Program which is very helpful in providing new unit information. Sponsors can make your transition smoother. The purpose of the Sponsorship program is to:

- Provide a sense of belonging
- Ease the transition for inbound service members or civilians and their family members
- Increase productivity
- Reduce culture shock
- Help newcomers make informed decisions
- Cultivate new friendships
- Improve morale

A sponsor is someone from your new unit who is assigned to assist you settling into your new location. You can request a sponsor through your unit, or with help from the Relocation Assistance Program or the Family Center at your new installation.

Your Service will appoint your sponsor in writing. He/she will be the same or close to your rank and the same marital status, if at all possible. This person will be knowledgeable about the local community and the installation; available to assist you and your family for at least two weeks post arrival, and be someone who is positive and outgoing.

A sponsor's duties include:

- Contacting you and your family by letter of introduction or e-mail upon learning of your assignment to the installation.
- Following up with a personal phone call after contact has been made.
- Sending information about the installation/area which you may require, or putting you in touch with the resources on the web and at the installation that provide current, complete and up-to-date information such as those provide by the Relocation Program.
- Answering any questions which you or your family may have, or, again, providing the proper resources to answer those questions.
- Confirm transportation and lodging arrangements.
- Assisting with obtaining a Post Office Box for your mail.
- Meeting you and your family upon arrival.
- Accompanying you to your check in point for the unit.
- Introducing you to the Family Center and lending closet
- Providing essential service locations such as commissary, exchange, gas station, bank.
- Being available when you arrive at your installation to meet you, show you around, and help you through in-processing.

If you have not been assigned a sponsor, or have not been contacted as of yet, request one by contacting your gaining command or unit. If after contacting your new command you find difficulties in obtaining a sponsor, contact your Relocation Assistance Personnel for additional help with your move.

Service specific processes for requesting a Sponsor include:

- **Army and Defense Logistics Agency:** AR 600-8-8 outlines procedures for DA Form 5434, Sponsorship Program Counseling and Information Sheet. Sponsorship is mandatory for first term Soldiers. All Soldiers, private through colonel (excluding those completing advanced individual training (AIT) and those PCSing to long term schools) and civilian employees through grade 15 may participate in the advance arrival sponsorship program. Reactionary Sponsorship is available for individuals arriving at an installation without a sponsor. Contact the gaining unit to request a sponsor.

- **Air Force:** Gaining Unit Commander Support Staff/Military Personnel Element will assign a sponsor upon receipt of assignment notice. Assigned sponsor will then make contact with the inbound member.
- **Navy:** OPNAV INSTRUCTION 1740.3B prescribes procedures regarding Command Sponsor and Indoctrination Programs. This Program is designed to facilitate the adaptation of Sailors and their families into new working and living environments, to minimize the anxiety associated with a Permanent Change of Station (PCS) move, and afford Sailors and their families the greatest opportunity for a successful and productive tour of duty.

Command sponsor and indoctrination responsibilities begin upon receipt of PCS orders and continue until the Sailor has become an integral part of the new command and is fully cognizant of all policies, programs, services, and responsibilities available through the command. Commanding Officers shall establish a Command Indoctrination Program to include the delivery of the Navy Pride and Professionalism training per this instruction. COs should ensure all incoming personnel receive command indoctrination training within 30 days of arrival or within 3 drill weekends.

Enclosures (1) and (2) of OPNAVINST 1740.3B outline responsibilities and provide guidance for these programs. Assistance to local commands regarding the Command Sponsor Program is through the Fleet and Family Support Center (FFSC) Relocation Assistance Program staff.

- **Marine Corps:** Gaining Unit Commander will assign a sponsor on request. Overseas commands should assign a sponsor automatically, however if one is not assigned, send a request to the gaining command. A sample request form is available on our website that can be filled out and sent to the gaining command. See the following [website](#).

Sponsors' responsibilities and abilities to be available will vary from installation to installation, depending upon the priority which the installation and unit commanders give to the program; however, the Services are making the Sponsorship program a priority as research has shown the many benefits of good sponsorship to service, family members and youth.

Youth Sponsorship

The Youth Sponsorship Program depends on the availability of youth who volunteer to become sponsors. The Youth Services topic should explain the Youth Sponsorship program at your new installation, but if it does not answer all of your questions, contact your Relocation Manager to inquire about the program and acquiring a youth sponsor.

Driving Directions

Travis is located off Interstate 80 approximately 50 miles northeast of San Francisco and seven miles southeast of Fairfield. I-80 runs between San Francisco and Sacramento and goes through Fairfield and Vacaville. The Interstate brings traffic from the east through Reno, NV to Sacramento and 40 miles further to Fairfield. The easiest access to the base is to take the Air Base Parkway turnoff. This leads directly to the front gate.

Traveling from the North

Traveling from the north, the best approach route would be on Interstate 5 to Interstate 505 which will intersect with I-80 in Vacaville, just north of Travis.

Traveling from Los Angeles and Other Southwest/Southern Points

From Los Angeles and other southwest and southern points, the approach would be on Interstate 5 or California Highway 99. Take I-5 14 miles past Stockton to California Highway 12. From there it is approximately 46 miles to Fairfield. Taking Highway 99, turnoff at Lodi onto Highway 12. From Lodi, it is 54 miles to Fairfield. Upon arriving in Fairfield, take Walters Road east to Air Base Parkway.

Check-in Procedures

Inprocessing Procedures

If you arrive between 7:00 a.m. and 3:30 p.m., Monday - Friday, report to the INTRO office in Customer Service to drop off your personnel records and make your in-processing appointments. If you arrive after duty hours or on a weekend/holiday, the 24 hour arrival point is the Westwind Lodging Office.

When you move you need to notify DEERS of your new address. You can do this at Military Personnel Flight and request to update your DEERS information. You can also mail your change of address to the DEERS Support Office, call them toll free, or e-mail them.

Ask for permissive TDY for house hunting if you have not already taken it.

Important documents to hand carry. Personnel Records, household goods shipping records, financial records, school records.

Documents to Hand Carry

Adoption Papers, Allotment records, Birth Certificates, Bank Statements, Car Insurance, Registration and Title, Child ID Information, Credit Cards, Deeds & Mortgages, Divorce Papers, Drivers License, Educational Report Cards, ID Cards, Insurance Policies, Immunization Records, LES, Marriage Certificate, Medical Records, Orders, Original Will, Passports & Visas, POV Shipping Documents, POAs, Safety Deposit Box Keys, Spouse Resume, State & Federal Taxes, Social Security Cards, Travelers Checks, US Savings Bonds, W-2 Forms, Pet Records.

Travel Planning

You should try to make reservation well in advance to ensure lodging on base. Travis's Westwind Inn allows pets to stay with you on base but accommodations are limited. Travis AFB also houses the largest Reservist Wing which may effect availability in lodging during the weekends. To ensure lodging call 707-424-8000.

Married Servicemembers

If you get married before you PCS, you must inform your commander and follow the procedures exactly as you are given them. The military will not pay for travel and housing of your spouse if you do not follow proper procedures.

Relocation Assistance

Programs and Services

While moving is always stressful, your stress can be drastically reduced if you take full advantage of the information, education, and personal assistance provided to you by the Relocation Program. This is the place to find answers and get referral to other installation resources as well as assistance with in-transit emergencies. The most important thing you can do to ensure a smooth move is to start planning early using the many Relocation Assistance program services and tools available.

Individual PCS Planning -- Most relocation programs offer one-on-one consultation for anyone needing assistance. In particular those making their first military move, first overseas move, or those with challenging and complex situations such as special needs family members or financial problems should call the Relocation Program for an appointment.

Military Installations and Plan My Move -- For managing and planning your move, use these two DoD sponsored web-based relocation tools with information on over 250 installations worldwide. You can estimate expenses, find the forms necessary for housing and household goods, keep a calendar of events and take other necessary actions to ensure a successful move.

Loan Closet -- Basic household goods items are available to borrow while waiting for your personal property pre-departure or upon arrival. The typical items in stock include: pots and pans, dishes, silverware, irons, ironing boards, portacribs, high chairs, and infant/toddler car seats. Generally, towels and bed linens are not available, so these should be packed in your hold baggage.

Workshops and Briefings -- The classes offered vary from installation to installation but you can generally find classes on buying, selling and renting smart, budgeting and finance, moving with children, general moving preparation and many other moving related topics.

Pre-departure Briefings -- Sometimes called Smooth Move or PCS Briefings, you and your spouse will want to attend for sure. These briefings provide essential information that can prevent you from making uninformed and costly decisions before your move.

Settling-in Services -- These may include welcome wagon services, local area tours with childcare often provided, or basic household items to use until your goods arrive. Overseas arrival services may include introductory language classes and cultural awareness training.

Deployment Support -- The Family Center assists unit family readiness groups and Ombudsman programs during the entire deployment cycle. Support includes services for special needs, classes on deployment preparation, managing finances, helping children adjust, family separation, return and reunion, and information on resources available locally and on-line.

Foreign Born Spouse Support -- Whether your question concerns immigration and naturalization, learning the English language or how to take local transportation, the Relocation Program provides assistance, classes and referrals.

Emergency Assistance -- From time-to-time emergencies occur while moving, the Relocation Program office has the resources to provide emergency financial assistance and referrals.

Transition Assistance -- This is a mandatory program available to assist personnel and family members when they separate from the military. The Relocation Assistance office will establish your individual transition plan and refer you to all the installation and community resources necessary to complete a successful transition.

Installation Specific Information

Sponsorship Training -- This class is offered the third Thursday of each month to all sponsors. Covers the ins and outs of sponsorship. Learn what you need to know.

Airman's Attic -- A donation program, located at Travis Airman and Family Readiness Center, designed to help E1 - E5 personnel and their families. A supply of donated clothes, furniture, and household goods are on hand for those in need. The hours of operation are Wednesday and Friday from 1000 to 1400. Hours to accept donations are Tuesday and

Thursday from 1000 to 1400. Good used items are always welcome. Pick up of large donated items can be arranged.

Child Care for PCS Program -- AF Aid Society pays for up to 20 hours of free child care (per child) for families with PCS orders to Travis, within 60 days of arrival or departure. Family Day Care homes are the authorized providers for the care. Certificates must be issued through the Relocation staff at the Airman and Family Readiness Center.

Remote Family Services (Remote and Unaccompanied PCS) -- Contact is made by Airman and Family Readiness Center with spouses of active duty Air Force members who are on a remote or unaccompanied PCS tours. Contact is made approximately 30 days after the start of the member's tour.

Loan Closet -- Open 7:30 am until 4:30 pm, Monday - Friday. We have available many of the household items you will need while awaiting delivery of your household goods or may need after you household goods are picked up and in the process of clearing you quarters. Loans available for guests and other special conditions to military members with some restrictions.

Emergency Assistance

Planning for Emergencies

No matter how well you've planned, emergencies do happen. What should you do in case of emergency while you are traveling?

Important Documents/Hand Carry

First, make sure you have all your important papers with you, not packed with your household goods. Numbers for your Commander, First Sergeant, orderly room, and sponsor can be invaluable in case of an emergency in transit.

American Red Cross

The American Red Cross is always available for emergency aid anywhere you may be. They can help with emergency financial assistance and contacting individuals that will need to know where you are and what is happening.

Medical Emergency Procedures

If you have a medical emergency while in transit, go to the nearest Emergency Room immediately.

Motor Vehicles

Registration & Licensing Requirements

California State law requires you to have sufficient liability insurance and a valid driver's license in order to operate a vehicle. The term "vehicle" generally includes automobiles, motorcycles, vans, trailers and boats regularly parked or garaged overnight. Further, your vehicle must be properly registered. Even though you are in the Military, you may be required to register your vehicle in-state and obtain an in-state license within a few months of moving. Access complete information on insurance, driver's licensing, and where and how to register your vehicle by visiting the [State Department of Motor Vehicles](#) website.

State Laws

You and your passengers must always wear seatbelts while driving, you will be ticketed and issued heavy fines if seatbelts are not secured. State law requires that all children under 6 years of age be properly restrained in child seats. Some states also require younger, smaller children to sit in the back seat.

Motorcycles and their operators are subject to special laws. If you own and operate a motorcycle, you must comply with those laws. Visit the State Department of Motor Vehicles website for more information.

Many States and local jurisdictions have strict laws about the use of cell phones and other digital devices while driving. Research these laws on the State Department of Motor Vehicles website. Tickets will be issued and fines assessed for violating these laws. Play it safe and always use a "hands free" device if you must use a cell phone or other PDA while driving. Hands-free devices must be used while operating a motor vehicle on ALL military installations worldwide.

Car Insurance -- You can expect to pay between \$50 and \$150 per month for full coverage car insurance.

Driver's License

If married, your spouse (if not active duty) must obtain a California driver's license within ten days of employment within the state. California Drivers Manuals can be found at the Airman & Family Readiness Center. Spouse will need to schedule an appointment at one of the local DMV's to take test.

Registering Vehicles on Base

Register your vehicle on base through your unit orderly room. In order to register your vehicle, you will need to provide the following:

- Military I.D. Card
- current vehicle registration
- current driver's license from any state
- a smog certificate

Motorcycle Registration

Motorcycle registration is processed through the 60 Security Forces Squadron's Pass and ID desk in Bldg 381, down the hall from MPF Customer Service. Required items include:

- AMW Form 32 from your Squadron Motorcycle Safety Rep
- driver's license
- proof of insurance
- motorcycle card from MSF:RSS Class
- current registration
- ID card

Loan Closet

Items Available

The Loan Closet at the Airman and Family Readiness Center has everything you will need to set yourself up in temporary housekeeping until your household goods arrive. We provide household items such as pots and pans, dishes, utensils, high chairs, cribs, car seats, futons, and small appliances to help relocating families while their household goods are in transit.

How to Borrow

All loans will require a copy of the military member's PCS orders before the loan is made. If orders are not available, only the active or retired member may process the loan. Unique situations will be dealt with on a case-by-case basis. The loan locker is housed at the Airman & Family Readiness Center. Hours of Operations are Monday through Friday, 7:30 am - 4:30 pm.

Housing - Overview

Government Housing

Before military members seek off-base accommodations, they are required to check with the Housing Management Flight for a briefing and counseling. The Housing Management Flight provides both on-base and off-base housing information. Experienced, knowledgeable personnel will assist you with off-base rental and sales listings of houses and apartments.

Travis Air Force Base (AFB) currently has approximately 1,800 units but eventually will have only 1,179 family housing units. All units are equipped with stove and refrigerator. All officer family housing is adequate three or four bedroom homes.

Availability -- There are several different waiting lists for base housing, depending on the member's rank and bedroom requirement. The waiting periods for base housing vary and are subject to change.

Eligibility -- Military personnel, E1 and above, with accompanying dependents are eligible to apply for military family housing. Priority assignment to on-base housing for either medical or financial hardship reasons must be supported by the appropriate base agencies.

Application -- All military personnel with dependents, are authorized to submit an advance application for military housing at any time after they have received Permanent Change of Station (PCS) or Active Duty orders for Travis AFB. The application must be submitted on DD Form 1746, Application for Assignment to Housing and a copy of your orders must accompany your application. Advance application can be made at your current housing office and they will forward your application to the Travis AFB housing office on your behalf.

The effective date of application is the first day of the month prior to the month in which the applicant states he or she will arrive at Travis. This is the actual reporting or sign-in month. If the applicant arrives at Travis AFB later than the stated arrival month, the effective date of application is adjusted to the first day of the month prior to the actual reporting arrival month.

If the applicant arrives at Travis prior to the stated arrival month, he/she has the option of retaining the original effective date of application, or assuming a "walk-in date".

Other

Pets -- The maximum number of pets allowed is two (2). Farm, ranch, or wild animals are prohibited. Only domesticated dogs, cats, and caged birds may be maintained at Travis AFB, and it is required to register your pets with the Base Veterinary Office, Building 543. For information, please call them at 707 424-3010. Other pets require written approval from the 60 MSG/CC. Exotic pets are not allowed. Only one pet (cat or dog under 20 pounds) will be allowed in the Build/Lease complex/George Town (Patriot Village) and the Travis Townhouses/Onizuka Flats. Questions should be addressed to Housing Facilities, 707 424-1469.

Non-Government Housing

Solano County enjoys a rapidly growing housing market and home values that remain constant. The 42 percent increase in the number of housing units in Solano County between 1980 and 1990 paralleled population growth. Residential home and commercial land costs have long been the most attractive in the region.

Housing Referral Office (HRO) -- Your contact for any problems you may encounter (discrimination complaints, tenant/landlord disputes, or any questions/problems about off post housing) is the HRO. Staff are available to assist you on a person to person basis to make your move to this installation an easy and pleasant one. They can provide a list of rentals with corresponding locator maps and give you information regarding the area in which rentals are located.

DoD Automated Housing Referral Network (AHRN)--Visit AHRN.com or ask at your local housing office to learn about this DoD program that is currently available for most installations. The program allows military members and families to:

- Search listings and pictures of available rentals near military installations

- Find out about shared rentals
- List their own properties for rent to other military families
- List their homes for sale by owner (FSBO) to other military members
- Contact installation housing offices

AHRN is not currently available at all installations but the phased program is adding new installations every month. Check the AHRN [website](#) to see if your next assignment is an AHRN base and check out other features to assist you in your home search.

Housing - Temporary

Temporary Lodging Facility(TLF)

Eligibility/Orders

People traveling on official government orders are eligible to make reservations for transient quarters. Reservations can be made by the individual or their sponsor. The reservation office, located in Bldg. 402, is open for walk-in assistance from 7:30am-4:30 pm, Monday through Friday.

The Temporary Lodging Facilities (TLF) are designed to accommodate up to five family members. Active duty military traveling with their families can use the TLF while on PCS, leave, or permissive TDY.

Pets

Small pets are allowed only in designated units for an additional fee.

Visiting Quarters (VQ) are available for individuals traveling alone. Priority is given to military members and U.S. civilian employees traveling on official government orders and active duty members on emergency leave.

Other

Pets -- You are allowed only 2 pets in military family housing.

Unaccompanied Military Personnel -- All single personnel, grades E-5 and above, will be required to obtain quarters off base. You may utilize the Travis Housing Office's off base referral service to expedite location of suitable quarters.

All single personnel, grades E-4 and below, are required to reside in the Travis AFB dormitory facilities. Upon arrival, contact your squadron orderly room to secure a dormitory room. Bulk items, such as furniture and excess household items, cannot be stored in your dorm room. You may utilize Non-Temporary Storage for storage of bulk items at no cost. For further information, contact the Unaccompanied Housing Office at DSN 312-837-2776 or commercial 707-424-2276.

Purchase Options

From home buying workshops to one-on-one counseling, the Airman & Family Readiness Center offers a number of financial services to help you in becoming a home owner. To sign up for a class or one-one appointment call 707-424-2486. Solano County is a high cost living area. The housing market in Solano County has become unbalanced, producing many more expensive homes than are needed on the region's outskirts, and not enough starter homes, apartments, town homes and condominiums within cities. The average home in Solano County is selling for \$437,931.

Mobile Homes

Folks traveling for pleasure, on TDY or on PCS orders and looking for housing, find the year-round RV camp convenient, fun and affordable. Some families of service members who are patients in the David Grant Medical Center also use FamCamp. Facilities include laundromat, rest rooms, showers, full hook-ups, dry camp, tent area, phones, picnic tables, and TV cable. Pets are welcome. Reservations accepted 30 days or more in advance. All other accommodations are on a first-come, first-served basis. Call the Travis Mobile Home park for fees, availability and other information 707-424-3583.

Household Goods - Overview

Arranging Household Goods Shipments

As soon as you are alerted to your upcoming PCS move, you can start getting your house and family ready. Clean up and get rid of junk. Hold a yard sale or take serviceable items you no longer need to a thrift shop or donate to charity. Get important family records together in one place. You can even estimate the weight of your household goods before you visit your transportation office to set up the move. If you are going overseas, you should begin to plan what items you will take in your hold baggage, in your household goods shipment and what might need to go into storage. Remember for overseas assignments electricity is different and houses are generally much smaller and cannot handle large furniture.

Set up an appointment with your transportation office as soon as you have a copy of your PCS orders. The earlier you call or visit your transportation office, the greater your chances of moving on the date you desire. The counselors will explain all your PCS move entitlements in detail. Your first decision is whether to have the government move you or whether to move yourself. There are pros and cons to each type of move. Your counselor will answer all of your questions. If you choose a government move, they will book your shipment and let you know the exact dates the movers will come. If you choose to move yourself, the counselor can assist with recommendations and tips on how to do a personal move.

Automobile

The government may ship one Privately Owned Vehicle (POV) at their expense to your new overseas location. This is handled through your transportation office. Remember to discuss your POV needs at your initial counseling session. The shipping contractor has established a [website](#) where you can track the location of your POV through the shipping process.

Shipping Pets

Planning for shipment of your pet includes researching airline requirements and quarantine and restriction laws in your new location. You will need to ask the airlines the requirements for size, weight, number of animals, kennel construction, documentation and season of the year limitations. Occasionally, small pets can be shipped on military flights but availability and regulations are always changing as well as fees. Checking the [SDDC website](#) will provide details on shipping pets.

Many international locations have strict importation laws including extended quarantines and restrictions on breeds or types of animals that can be brought into the country. Carefully research these rules as they could impact your moving schedule. Not only do overseas locations have strict rules but many locations have restrictions on dangerous dogs as well.

Delivery of Household Goods Shipments

It is your responsibility to contact the transportation office as soon as you arrive at your new duty station. Let them know how you can be contacted, phone, mobile phone and e-mail. If you already have new quarters, they will help arrange delivery of your personal property shipments. Otherwise they will arrange for temporary storage until you have permanent housing.

Customer Satisfaction Survey

Once your personal property is delivered, you'll be asked to [rate the customer service](#) you received from the movers. Make sure you take the time to do this. Your feedback will make the process better for everyone.

Claims

If you have any loss or damage to your personal property you may need to file a claim. Use the front of [DD Form 1840/1840R](#) to notify the mover of any loss or damage you find at the time of delivery. If further loss or damage is discovered after the transportation provider departs, use the reverse side of the form, DD Form 1840R. You must **file DD Form 1840/1840R within 70 days of delivery**. Completing and submitting the DD Form 1840/1840R does not constitute filing a claim. A claim is separate and distinct from these forms. Your local personal property office and claims office will give you complete instructions on where and how to file DD Form 1840/1840R and your claim.

Quarantines

No quarantines in California.

Pet Travel

AMC charters will ship only dogs and cats at the owner's expense and is limited to charter passengers in a permanent change of station status. The limit is two pets per family and waivers are required for more than two pets. There is also a weight limit which is 99 pounds, including the cage or shipping container. Owners are responsible for the preparation and care of their animals and satisfying all documentation, immunization and border clearance requirements, including quarantines. The shipping container used must be approved by the International Air Transport Association and be large enough for normal body movements and for the pet to stand up, turn around and lie down comfortably. A small pet can travel in the charter aircraft cabin with special permission from AMC, but it must be in a hard-shell kennel not exceeding 20" X 16" X 8". Passengers must make arrangements two or three months before they are scheduled to move. For waiver information and forms call AMC at 1 800-851-3144, DSN 312-779-7881 or fax a request to 618-229-7876 or DSN 312-779-7876. To View HQ AMC Pet Brochure go to the AF [website](#).

Education - General Overview

Adult Education

California provides a one-year tuition waiver for the spouse and dependents of active duty military personnel while attending community colleges. During that time, the non-military spouse and dependents are entitled to one year of in-state tuition. For example, Solano Community College charges California residents an enrollment fee of \$12 per unit. Out of state residents pay that fee plus \$125 per unit tuition.

Public School

Public schools in each school district are free to children residing in the district. Every child who has reached his/her 5th birthday on or before 30 September of any school year and who has not passed his/her 18th birthday is required to attend school.

Immunizations

Each child entering the California school system must have all required immunizations prior to enrollment. Immunizations required prior to enrollment: Polio, TP, MMR, Hepatitis B, and Varicella.

To complete registration the school district also requires a copy of your child's Birth Certificate or other proof of child's age, your student's immunization record, proof of your address - acceptable forms are (escrow documentation or purchase, copy of lease or rent receipt, PG&E bill, water bill or property tax receipt indicating your name and address). You will also need to complete [Registration Form](#) to finalize your enrollment. To register for kindergarten, the school needs your child's birth certificate; children being registered for kindergarten, must turn five (5) years of age by December 2 of the school year. To register for grades 1-6, we will need your child's last report card. A physical examination is required of all students beginning school for the first time. The physical must have been performed after the child is four and a half years old. Commonly asked questions about the [Immunization Requirements](#).

Home Schooling

Home School Legal Defense Association can be accessed [online](#). Feel free to contact the School Liaison officer for additional information.

School Liaison Officer

The Travis AFB School Liaison Officer improves transitional support for school children of Travis personnel by establishing partnerships between the base and local schools, advocating for military children, increasing awareness of the unique needs of military children, and providing a process to address and resolve military-specific education issues.

Check out the California state education website for detailed information about school servicing Travis community. Travis schools are located in [Solano County](#). The site will provide you comprehensive information about the local schools in the Travis AFB area. The web site provides a single source ("one stop") site where military (and other mobile) families can find valuable information regarding their children's education, primarily Kindergarten through high school in California.

Private School

The Travis area has numerous [private schools](#) at every level of schooling. Many are religiously affiliated. A recommended first step is to call the school for information about grades, curriculum, tuition and schedules. There are waiting lists at many schools, particularly for first grade classes. Most schools require admissions tests. Tuition varies widely and increases with the grade level at most institutions. Preschoolers can pay as much as \$2,000 for five-day week program. High school costs can range from \$3,000-\$5,000 a year. In addition to basic fees, students pay for books and transportation. Most private schools do not provide transportation.

Not all private schools are accredited. For further information about accreditation contact schools directly. List provided below. Travis is located in Solano County.

Education - Training (College/Technical)

Continuing Education

The base education office is the original point of contact for any adult education questions. The Travis area is fortunate in its ability to offer a wide variety of course work, most of which is available at times and days to suit both military and civilian personnel.

Professional guidance counselors are available to assist individuals in planning their educational goals. Counseling services are also offered to family members on a space available basis. The counselors provide information on the many facets of the Air Force Education Program and will also provide unofficial evaluation of transcripts, interpret interest inventory results, provide information on financial aid, help students define their educational goals and show them the many alternative ways to reach these goals.

Travis Learning Center Programs offer courses to improve employability skills and computer skills. Training is available for the following programs: Access, Front Page, Excel, Internet, Keyboarding, Outlook, MOUS (Microsoft Office User Specialist) Certification, Power Point, Publisher, Windows and Word.

The newly renovated Mitchell Memorial Library (Building 436) serves the entire Travis community and provides support for on-base educational programs. In addition to a total book collection of 40,000 volumes, the library provided numerous references. Inter-library loans may be arranged from universities or other libraries. Typewriters and IBM computers for word processing are available for customer use. Study materials are available for the CLEP, DSST, GRE, GMAT, GED, SAT and Air Force Officer Qualifying Test (AFOQT). Additionally, many books in support of the DANTES testing program are available for review.

Education - Local Schools

Choosing the right school for their children is a priority for military families. This article describes excellent resources for your use in planning for your child's educational needs. Parents can find current information about public, charter and private schools by using the tools below:

1. How do I choose a good school?

[Choosing a School for Your Child](#) is a U.S. Department of Education publication that will help families identify what is important in selecting a school.

[The School Visit: What to Look For, What to Ask](#) Whether you are choosing a school for the first time, or because you are in transition, this site will provide you with information about what to do and what to ask.

2. What schools are in my area (or in the area where I may move), and how good are they?

Several high quality commercial tools are available to assist in making decisions about which school to choose for your child. Listed below are these website tools along with information on how you access the information and what type of information each site provides.

Both [Great Schools](#) and [School Matters](#) provide a wealth of information for parents:

- School contact information
- Distance from zip code (provide the installation zip code, or the zip code of the area where you will be living)
- Public, private or charter school designation
- Student/teacher ratios
- Free and reduced school lunch program (an estimate of economic disadvantage)
- Great Schools provides a rating of schools and a parent comment section
- Percentage of students meeting or exceeding the state standards in math, reading and language arts
- Teachers - average number of years teaching experience, % of first year teachers on the staff
- Students: Average percentage of students absent from school for more than 15 days
- Ethnic breakdown and percent of students with English as a second language
- School Matters provides college prep scores (PSAT, SAT, ACT test scores)-for high schools only
- Great Schools also provides parents the ability to rate the schools and make comments on the schools.

For both sites, the user must enter the State and zip code to find schools in the area.

[SchoolQuest](#) was developed by the [Military Child Education Coalition](#) to help military families select schools. SchoolQuest also offers an Online Library that provides resources for families in transition. At this time, the SchoolQuest data base covers 99 military installations. The Military Child Education Coalition also provides a [data base of information](#) on each State's educational system.

[The School Report Tool](#) is available from Military OneSource that list names and locations of public, public charter, private, virtual and home schooling choices around major installations. [Charter Schools](#) are nonsectarian public schools of choice that operate with freedom from many of the regulations that apply to traditional public schools. Use this site to find one in your area.

3. How can I help plan for a successful transition in this new school and for my child's school career?

Parents often want to know about the availability of extra curricular activities and sports, or the availability of advanced classes. For these questions, it is best to contact the schools directly. It is important to ask the right questions. The following resources can help with these questions and others.

The [Toolkit for Parents](#) was developed by the Department of Defense, especially for Military Families. This 85 page booklet walks parents through preparing for the move and the first two weeks of school....what to ask, what to take, etc..

The [Military Impacted Association](#) has [checklists](#) available for military kids who are leaving or entering a new school.

The Military Child Education Coalition has a [checklist for transferring students](#) that will be helpful. Additionally, through [SchoolQuest](#), MCEC provides parents with the ability to develop a profile for each of their children, which then will provide them with a report on issues related to transferring to a new school district.

4. Question? What happens if I need help during the school year?

During the school year, there are always questions that parents have, such as "What is the best way to help with homework?" or "What if my child needs to see a counselor because my spouse is deployed?" Military OneSource helps with these questions and has 24/7 access. You can call them at 1-800-342-9647, connect to them at the website [Military OneSource](#), or [e-mail a consultant](#).

Education - Local Schools/Overseas

Overseas Schools -- What You Should Know

Moving your family from one installation to another in the U.S. can be challenging enough; but moving your family overseas presents an even more complex situation. One of the most important challenges can be summed up by this question, "Where are my children going to go to school?"

This article will provide resources to help guide military families through the many questions and decisions regarding local schools abroad.

Where do I start?

Start with the information on your new installation. Visit [Plan My Move](#) and review the installation's Education - Overview article. All of the overseas installations have dedicated a portion of the Education Overview to discussing the education options available in the local community as well as the DoD schools located on the installation, if available. Most installations overseas that allow accompanied family travel have one or more DoD schools.

What is the difference between a DoD school and an international or national school?

[DoDEA](#) is the Department of Defense Education Activity. DoDEA operates DoD schools in 12 foreign countries, Guam and Puerto Rico. All DoDEA schools are fully accredited by U.S. accreditation agencies and maintain high academic standards with well rounded educational programs.

In addition to DoDEA, the [U.S. Department of State's Office of Overseas Schools](#) mission is to promote quality educational opportunities for dependents of American citizens overseas at the elementary and secondary level. If a DoD school is not available on your installation there may be a school in the local community that is an American-Sponsored Elementary and Secondary School.

International schools are English-language schools whereas National schools are schools where courses are taught in the native language. The curriculum and grading system of an International school tends to be similar to the traditional American education system. This is a consideration if your family will be returning to the U.S. prior to your child or children graduating high school. Remember, when choosing a school it is best to try to match the school with your child's needs and expectations.

Where can I find a list of International schools in the country where my family is moving?

The Internet can be an excellent resource for finding International Schools overseas. You can find a complete directory of overseas schools on the [International Schools Services' website](#).

In addition, the [World Wide Schools](#) website is an excellent resource. From the homepage you can select the country. Once you have done this, a list of schools will appear and you can then choose which one you are interested in researching. All of the information appearing on this website is provided by the schools directly. Some of the information you may find on a school includes: a background summary about the school, the school's address, phone number, website, and even the email address of the director of the school. This information should be explored so that you can make comparisons with other International schools in the area to determine the best place for your child/children.

How do I decide what school is best for my child?

This process is much the same as it would be in the U.S. You may not have as many choices but it is important to make a list of possible schools and then begin to ask around. This is a daunting task since it is likely that there will be a language barrier. However, talk to the Relocation Personnel in the Family Center and your sponsor at your new installation who may be able to put you in touch other families with children around the same age as your child/children. Always contact the school directly and ask for references.

Once you have narrowed down your options, interview the school or schools directly. This is best done in person, if possible. Ask about: attendance, atmosphere, curriculum; grading system, tuition, accreditations, the staff and administration; as well as other practical details such as, does the school provide meals, what types of extra curricular programs are available, is there transportation, holidays and schedule, sports programs, before and after school care programs, and how is the facility maintained.

Now that I have chosen a school, how do I successfully facilitate the transition for my child?

A successful transition should be a priority during planning the move and once the move has been completed. The more knowledge you provide your child with, the more confident he/she will feel once he/she arrives at the new school. Allow your child to be a part of the decision making process, if he/she is old enough, and take his/her opinions into account.

MilitaryStudent.org provides several valuable tools to facilitate the transition process. Although many of these tools are not geared specifically to an international move the resources provided do apply to any military student transitioning to a new school in the U.S. or overseas.

Employment - Overview

Employment Services

The STAR (Spouses Trained and Ready) program is a developmental program designed for spouses wishing to enter an office work career field (training includes basic computer skills, customer service, office machine operations, a career development series and assisted job referrals. The Healthcare Academy includes Lab Technician, Medical Assistant, and Healthcare Administration. Programs are designed for spouses choosing to change careers from non-office career fields or other lower paying career fields.. A large, comprehensive Discovery Center provides job seekers computers for writing resumes and cover letters, filling out federal job resumes for electronic submission, Internet access for researching the job market, employer information and job listings, reference resources and publications, job fair listings, typewriters for filling out applications and employment related videos. One on one career counseling sessions and resume reviews are available by appointment with professional Community Readiness Consultants after the active duty or retiree military spouse has completed the Spouse Employment Orientation held every Monday at 9:00 p.m..

Unemployment Benefits

The unemployment rate in Solano County is only 4.5%. The minimum wage in California is now \$7.50 and will rise to \$8.50 in the coming year. Retail and hospitality jobs are readily available. Secretarial jobs are plentiful, however, mid to upper level management and professional positions are relatively few. Professional spouses with advanced degrees may have to commute to Sacramento or San Francisco for appropriate level work. Teachers have three school districts to choose from to apply for teaching positions. Social workers will find a variety of jobs in the local area and may choose from smaller towns surrounding Travis AFB. Educational opportunities are available in the local area including all levels: community college, four year universities, proprietary institutions and regional occupational programs with short training certifications. The California Employment Development Division is a partner with the Airman and Family Readiness Center and job seekers can access their [website](#) from home. Select Solano county to see current job listings. Spouses seeking employment in the local area are highly encouraged to attend the Spouse Employment Orientation at the Airman and Family Readiness to receive detailed contact lists for employment opportunities and information on filing for unemployment depending on the state they left. It is difficult for military spouses without career status to find job opportunities on the base. Spouses having status should go to the [website](#) to see the job listings for Travis AFB. NAF job opportunities are plentiful but are low paying in most cases.

It is most important for a military spouse to update their resume before the PCS move to facilitate a quick entry into the job market at the new location. They should hand carry resumes and a thumb drive with the resume so changes can be made even before moving into a new home. Spouses should also carry employment letters of recommendations, school transcripts, federal resumes, SF 50, current certifications and licenses.

Employment Documentation

For job hunting purposes, be sure to hand carry all employment records and documents, resumes, SF 171, SF 50, transcripts, certificates and licenses.

Unemployment Compensation

Unemployment compensation may be available for the spouse of a newly assigned military member or civilian employee. for more information contact the [California Employment Development Department](#).

Transition Assistance Program

Travis AFB is proud to be one of the nationally best TAP programs in DoD. We have a four day workshop in partnership with the Department of Labor (DOL) and Veterans Administration and additional workshops to supplement their curriculum. In addition to the job search DOL workshop, Airman and Family Readiness Center provides the congressionally mandated pre-separation and retirement briefings, a one day career assessment workshop to assist active duty members transition to the civilian sector, a Preparing for Retirement workshop includes dealing with challenges of a second career, financial management in retirement, and realities that no one ever tells you. TAP clients can receive consulting reviews of resumes once they complete the TAP class or the Ultimate Job Search workshop. Full career development services are available in the Discovery Center including computer stations to access hundreds of job vacancies.

Tuition Assistance

The Airman & Family Readiness Center can help in your search for tuition assistance. The Discovery Center, housed in the Airman & Family Readiness Center provides handouts and applications for tuition assistance opportunities. Also available in the Discovery Center is the Scholarship Resource Network software for scholarship and grant search. Locally both the Officer and Enlisted Spouses Clubs hand out scholarships on an annual basis. Air Force Aid Society awards

grants on a yearly basis, deadline for applications are usually in the month of March.

New Parent Support Program

Child Care

Child Development Centers (CDC)

Centers on Installation

Travis AFB has three Child Development Centers which have passed the rigorous processing to be accredited by the National Association for the Education of Young Children. This recognition has been achieved by only seven percent of early childhood programs nationwide and is among the few with this accreditation in Northern California. The centers include:

- Child Development Center I - Located in Buildings 664 and 665. Accommodates 273 children, ages 6 weeks through kindergarten.
- Child Development Center II - Located in Building 668. Accommodates 273 children, ages 6 weeks through 5 years and also offers a part-day preschool program.
- Child Development Center III - Located in Building 7690. Accommodates 105 children, ages 6 months through 5 years.

Programs Offered

The centers provide developmental and educational care for infants, toddlers, and preschool children. Preschool classes are offered for children three and four years of age. Children may be enrolled for either two or three days per week. The centers use a reservation system to better meet the needs of as many parents and children as possible.

Eligibility

Child development and preschool programs are available for dependents of active duty military and Department of Defense civilians on a first-come, first-serve basis.

Costs

Child care fees are aligned with the military pay day to help families better manage their finances. Fees for care are based upon total family income. Verification of income is required to assess fees for child care.

School Age Program (SAP)

The School Age Program is designed to provide developmental care promoting readiness and quality of life. The School Age philosophy is to provide opportunities for youth to develop their physical, social, emotional, and cognitive abilities, and to experience achievement, leadership, enjoyment, friendship, and recognition. The program accommodates 145 children first through sixth grade.

Callers must be immediate family and will need to provide the following information: name, organization and DSN telephone number of military or DAF member. Morale calls should be placed between 5 PM and 7 AM Monday - Fridays, holidays, and weekends are optimal for connections and service. Callers must limit their calls to 15 minutes once a week. Emergencies are the exception. Incoming DSN morale calls can only be connected within the Travis dialing area (i.e., Fairfield, Suisun City, Vacaville, and Cordelia). If calls being requested are outside the Travis dialing area, callers may be connected to AT&T, MCI, or SPRINT commercial telephone operators and must use their commercial telephone calling cards. Long distance costs to customers will be from Travis to respective destinations only. Call 707-424-1110 to place a morale call.

Car Care Because We Care: This program provides an 18-point safety inspection, oil change, and lube for the family's primary vehicle when sponsor is TDY over 30 consecutive days or serving a remote tour. Normally a spouse is eligible for one voucher per year for a TDY or Deployment and two vouchers per year for a remote assignment.

AFAS: The Air Force Aid Society (AFAS): the official charity of the U.S. Air Force. It was designed to relieve distress of Air Force members and their families and assist them in financing their education. Current policy is to consider requests for the following: Basic living expenses, medical care, dental care, funeral expenses, assistance with other emergencies, vehicle repairs, pay/allotment problems, disasters, and education costs.

Children's Readiness Services

Kids Understanding Deployment (KUDOS): Held once a year KUDOS helps children to understand and relate to what their parent or parents go through when deployed from home.

Returning Home Care Program (AF Services, Family Child Care Sponsored):

Sixteen hours of free child care (per child, 12 and under) to returning deployed parents to help reduce stress and readjust when returning home from a 30 day or more Operation Enduring Freedom or Global War on Terrorism deployment (within 30 days of return from deployment or on two week R&R). Eligibility has recently been expanded to those who routinely deploy on a short-term basis in support of contingency operations. Maximum is 16 hours of free care per child per each six month period. Care is offered in licensed Family Child Care (FCC) Providers on-base homes (not CDC). Contact the FCC office at 707-424-4585 for more information or to sign up.

AFAS Give Parents a Break (GPAB) Program: Provides funding for four hours of free child once a month when Commanders, first sergeants and certain other base officials refer families experiencing unusual stressful situations.

GPAB is offered the 1st Sat of each month, from 1:00 p.m. - 5:00 p.m. at the Youth Center for older children and CDC3 for younger children. Those eligible to use the "Give Parents a Break" program include parents: Dealing with Deployment and or extended TDY, experiencing family crisis, a parent who has a child with special needs, or a parent who has worked extended shifts.

Please contact the Airman and Family Readiness Center or your First Sergeant for valid program certificates.

Airman and Family Readiness Services

Family Life Education: This program is designed to enhance the quality of life of military families and to help them in adjusting to current and future changes in their lives. The program includes assessment/crisis counseling to meet the needs of an individual, couple, or family. Referrals to on-base and local community agencies are made on a case-by-case basis. Resource handouts are available on a variety of topics such as single parenting, dealing with grief and loss, premarital information, and divorce. In addition, the family and work life program has an emergency food pantry for those with a specific family need.

Information, Referral Counseling & Follow-up: Individual assessment counseling through short-term sessions is provided to determine the specific needs of an individual, couple, or family. When appropriate, clients are referred to an on-base or community agency for continued assistance. Community and base resource guides are available with telephone numbers, addresses, and specific information on services. An information library offers a wealth of information and references.

Personal Financial Management Program: Counseling to assist with budgeting, analyzing personal financial status, debt liquidation, consumer protection, checkbook maintenance, and credit management. Emphasis is placed on the proactive approach to personal finance, that is, identification and solution of financial questions before they become serious problems and preventing existing difficulties from recurring. Classes are offered on budgeting, car buying, credit reports, financial planning, home buying, insurance, investing, and mutual funds. Low-income families are given information on food stamps, WIC and other community programs.

Health Care - Overview

Moving With TRICARE

Your [TRICARE](#) coverage is completely portable—meaning it moves with you. You're covered worldwide—both in transit to your new duty location and once you arrive—but depending on where you go you may use a different TRICARE health plan option. Additionally, you may have different steps depending on which health plan option you are using now.

When Enrolled in a TRICARE Prime Option

The TRICARE Prime options include TRICARE Prime and TRICARE Prime Remote in the United States, and TRICARE Prime Overseas and TRICARE Global Remote Overseas in regions outside of the United States. Follow these simple steps to ensure you have no break in coverage when you move.

1. Do not disenroll from your TRICARE Prime option before you move.
2. Once you arrive at your new location, update your personal information in the [Defense Enrollment Eligibility Reporting System \(DEERS\)](#) immediately.
3. Select a new primary care manager (PCM), when moving within the same region or submit a new Prime enrollment form within 30 days if you're moving to a new region.

Where you are moving will determine which Prime option you will enroll in.

Prime Options in the United States

TRICARE Prime

TRICARE Prime is offered in Prime service areas—geographic areas typically located around a military treatment facility—throughout the country.

- North Region [Health Net Federal Services, Inc.](#), 1-877-TRICARE (1-877-874 2273)
- South Region [Humana Military Healthcare Services, Inc.](#) 1-800444-5445
- West Region [TriWest Healthcare Alliance](#) 1-888-TRIWEST (1-888-874-9378)

If you move to a new Prime service area, transfer your enrollment by submitting a TRICARE Prime Enrollment and PCM Change Form to your regional contractor. Be sure to include all family members who wish to use Prime on the form.

TRICARE Prime Remote

In non-Prime service areas, TRICARE offers TRICARE Prime Remote. To enroll, submit a TRICARE Prime Enrollment and PCM Change Form to your regional contractor. Any TRICARE-eligible family members living with you in a TRICARE Prime Remote area can enroll in TRICARE Prime Remote for Active Duty Family Members. Be sure to include them on the enrollment form.

Prime Options Outside of the United States

TRICARE Prime Overseas

TRICARE Prime Overseas is offered in overseas areas where there are military treatment facilities or areas in which TRICARE has established a network of qualified host nation providers.

- TRICARE Europe Toll free: 1-888-777-8343; Commercial 011-49-6302-67-7432; DSN 314-496-7432 Fax Numbers: Commercial 011-49-6302-67-6374; DSN 314-496-6374 or [e-mail](#)
- TRICARE Pacific Toll free: 1-888-777-8343; Commercial 011-81-6117-43-2036; DSN: 643-2036; Remote Sites: 011-65-6-338-9277 Fax Numbers: Commercial 011-81-611-743-2037; DSN: 643-2037 or [e-mail](#)
- TRICARE Latin America & Canada (TLAC) Address: TAO-LAC, Bldg 38802, Ft Gordon GA 30905-5650; Toll free 1-888-777-8343; 1-706-787-2424; DSN: 773-2424 Fax Number 1-706-787-3024 or [e-mail](#)

If you move to an area in which TRICARE Prime Overseas is offered, transfer your enrollment by submitting a TRICARE Prime Enrollment Form to the nearest TRICARE Service Center. Command-sponsored family members who reside with you are eligible for TRICARE Prime Overseas. Be sure to include all family members who wish to use TRICARE Prime Overseas on the form.

TRICARE Global Remote Overseas

TRICARE Global Remote Overseas is a Prime option offered in designated remote overseas locations. If you move to an area in which TRICARE Global Remote Overseas is offered, you and any authorized family members living with you may enroll by submitting a TRICARE Prime Enrollment Form to the nearest TRICARE Service Center.

Before you move to another overseas area or to an area within the United States, contact the nearest TRICARE Service Center. Then, when you arrive in your new area, transfer your enrollment.

When Using TRICARE Standard and Extra

TRICARE Standard and Extra are available to family members only. Active duty service members are required to enroll in one of the Prime options described above.

TRICARE Standard and Extra are available throughout the United States and enrollment is not required. Any active duty family member who is registered in DEERS may use these programs by seeing any network or non-network providers that are authorized by TRICARE. In areas outside of the United States, active duty family members who don't want to use a Prime option may use TRICARE Standard Overseas by seeing qualified host nation provider.

If you're already using TRICARE Standard and Extra, moving is easy.

1. Once you arrive at your new location, update your personal information in the Defense Enrollment Eligibility Reporting System (DEERS) immediately.
2. Then, find TRICARE-authorized providers in your new area.

Here are a few things to remember about using TRICARE Standard and Extra in a new region

- In the U.S.: Visit your new regional contractor's Web site for a list of providers. Remember, if you see network providers, you'll be using the Extra option and pay lower copayments.
- Outside of the U.S.: Contact your TRICARE Service Center for help locating a qualified host nation provider. The TRICARE Extra option is not available in overseas areas.
- If you move to a new region, you'll have a new claims address for submitting your TRICARE claims.
- Learn your new region's prior authorization requirements because these requirements can differ by region.

When Using TRICARE For Life

TRICARE For Life—TRICARE's coverage for those who are eligible for Medicare—requires no enrollment and you'll have a smooth transition when you move. [TRICARE for Life](#) contact information: WPS TRICARE For Life, P.O. Box 7889, Madison, WI 53707-7889; 1-866-773-0404; TDD 1-866-773-0405

- Once you arrive at your new location, update your personal information in the Defense Enrollment Eligibility Reporting System (DEERS) immediately.
- Find Medicare providers in your new area.

If you move overseas, your TRICARE For Life coverage may change depending on where you move. In U.S. Territories such as Guam, Puerto Rico and the U.S. Virgin Islands, TRICARE For Life coverage works the same as the stateside program. But, in all other overseas locations, TRICARE For Life Overseas works differently because Medicare does not provide coverage in most overseas locations. Therefore, TRICARE is the primary payer. You can get care from any host nation provider and you will be responsible for TRICARE deductibles and cost shares.

Contact the TRICARE Area Office for the overseas area where you are moving or the nearest American Embassy Health Unit for assistance finding a host nation provider.

Getting Care Along the Way

- Routine Medical and Dental Care—Get it before you go.

Before you move, make sure you've received any routine medical or dental care you think you might need during the time you'll be traveling. Or, delay the care until you get to your new duty location.

- Emergency Care in the United States—Call 911 or go to the nearest emergency room.

TRICARE defines emergency care as medical services provided for a sudden or unexpected medical or psychiatric condition, or the sudden worsening of a chronic (ongoing) condition that is threatening to life, limb, or sight and needs immediate medical treatment, or which has painful symptoms that need immediate relief to stop suffering. If you're traveling near a military treatment facility (MTF), you should go to the MTF or military dental treatment facility for emergency services. If you are hospitalized in a civilian facility for more than 24 hours, contact your regional contractor

- Urgent care in the United States—Coordinate with your PCM and/or regional contractor

TRICARE defines urgent care as medical care for a condition that will not result in disability or death if not treated immediately but should be treated within 24 hours to avoid further complications. If you are in a Prime program, you must coordinate urgent care with your primary care manager and/or regional contractor before receiving care. If you are in TRICARE Standard and Extra or TRICARE For Life, you can receive care as you normally would. You should, however, contact your contractor as soon as possible to coordinate any prior authorizations that are needed.

- Emergency or Urgent care Overseas—Contact closest TRICARE Area Office or TRICARE Global Remote Call Center.

You don't need prior authorization for emergency or urgent care but the TRICARE Area Office or TRICARE Global Remote Call Center will help you find the best care available in the overseas area in which you are traveling.

Filling Prescriptions on the Road

You should have all your prescriptions filled before you leave, but if you need a prescription filled while you're traveling in the United States, you have several options:

- If near an MTF, fill the prescription at the MTF pharmacy.
- Find the closest TRICARE network pharmacy.
- If a network pharmacy is not available, you can visit a non-network pharmacy. In this case, you may have to pay up front for your medications and file a claim with Express Scripts, Inc., for reimbursement. For more details, visit the [TRICARE web site](#)
- The mail-order option is not recommended for a prescription you need right away, but if you'll be traveling for a long time, you can arrange for any regular prescriptions to be filled via the mail-order pharmacy.

Your pharmacy coverage is limited overseas:

- TRICARE network pharmacies are only located in the United States, Puerto Rico, Guam and the U.S. Virgin Islands. You can have prescriptions filled at host-nation pharmacies, if necessary. Host-nation pharmacies are treated the same as non-network pharmacies. If you have prescriptions filled at a host-nation pharmacy, you should expect to pay for the total amount up front and file a claim with Wisconsin Physicians Service for partial reimbursement. To learn more about pharmacy claims, visit the [TRICARE web site](#).
- To use the mail-order pharmacy overseas, the prescription must be from a U.S. licensed provider and you must have an APO or FPO address.

If You Have Questions

Your regional contractors and TRICARE Area Offices are available to answer your questions. These offices are listed above. Find even more information about moving, updating DEERS, the TRICARE regions and much more at the [TRICARE web site](#).

Installation Specific Information*Installation Hospital*

David Grant Medical Center is a state-of-the-art medical facility serving 750,000 military beneficiaries in the eight western states.

The facility operated by the 60th Medical Group encompasses 808,475 square feet with 3,662 rooms, approximately 200 inpatient and 75 Aeromedical staging flight beds, 52 dental treatment rooms and serves 400,000 patients annually.

The four story structure is divided into three patient zones - inpatient nursing units, diagnostic and treatment areas and outpatient clinics. The hospital is designed around five large courtyards and is greater than two football fields in width and almost four football fields in length.

The medical center offers a complete range of medical, surgical and dental services, including, magnetic resonance imaging, nuclear medicine and a world-class hyperbaric medicine service. These services are supported by an active clinical investigations program as well as extensive post-graduate training programs in medicine, dentistry, nursing and health care administration.

A typical day at David Grant involves 31 admissions, 158 inpatients, 3 births, 16 operations, 1,152 clinic visits, 6,245 laboratory procedures and 2,178 prescriptions. The medical center is currently staffed by 1,363 military and 238 civilian personnel.

David Grant also has two off-site out-patient clinics located in Sacramento approximately 50 miles from Travis. The McClellan Clinic and the Mather Clinic both fall under the Medical Operations Squadron and can be reached by calling DSN 799-3820 or (707) 423-3820.

Health Care - Special Needs

Exceptional Family Member Program

The [Exceptional Family Member Program](#) (EFMP) is mandatory for all family members who have been identified with a special medical or educational need. Enrolling in the EFMP ensures that the family member's medical needs will be considered during the assignment coordination process.

Military Treatment Facility

The clinics and services available at [Military Treatment Facilities](#) vary by location. Before you move, identify the MTF that will serve you, visit the MTF's website to learn about the clinics and services available and to get relevant contact information.

Moving to a New TRICARE Region

If you anticipate a move to another [TRICARE region](#), work with your local TRICARE Service Center (TSC) or case manager before your move to ensure the transition is as smooth as possible. On arrival at the new duty location, your sponsor should contact the Beneficiary Counseling and Assistance Coordinator (BCAC) or TSC to ensure the transition plans are in place and to obtain authorizations for TRICARE [Extended Care Health Option](#) (ECHO) services, if applicable.

Beneficiary Counseling and Assistance Coordinator (BCAC)

All TRICARE Regional Offices and most MTFs are staffed with [BCACs](#) (formerly known as Health Benefits Advisors.) [BCACs](#) provide information, guidance and assistance on benefit options, TRICARE Prime enrollment, special authorizations, status of claims and eligibility, plus assistance with referrals and appointments. If you or your family member has a more severe medical need, contact your assigned [case manager](#).

Case Management

Case management involves a team of health care professionals who help you and your family to find solutions to complex health problems. It is important to inform your case manager if you are moving as he/she will connect you with the case manager at your new location.

Extended Care Health Option (ECHO)

TRICARE [ECHO](#) provides financial assistance to beneficiaries of active duty service members who qualify based on specific mental or physical disabilities. ECHO offers an integrated set of services and supplies beyond the basic TRICARE program. ECHO is administered by regional contractors in the TRICARE North, South, and West Regions and by TRICARE Regional Offices in overseas locations.

Transporting Medical Equipment

Your [Installation Transportation Office](#) has special procedures to follow for the transportation of medical equipment that is necessary for medical treatment required by the sponsor or family member. Some types of medical equipment may be shipped in the same manner as Professional Books, Papers, and Equipment (PBP&E).

Federal and State Health Care Programs

Medicaid - [Medicaid](#) pays for medical assistance for certain individuals and families with low incomes and resources. State Medicaid programs are usually administered by departments of social service or departments of medical assistance.

Supplemental Security Income (SSI) - [SSI](#) is a cash assistance program intended to meet basic needs for food, clothing and shelter for those who are aged, blind or disabled. It provides cash to meet basic needs for food, clothing, and shelter. Families must reapply upon each move to another state.

Title V of the Social Security Act - Many states have services for children with special health care needs that are funded by the Maternal and Child Health Services Block Grant, or [Title V](#). State departments of health web sites and local health departments will provide information on state health benefits for children with special health care needs. The Maternal and Child Health Bureaus' web site has Title V information organized by State that provide you with [Title V points of](#)

[contact](#) and other pertinent information.

Other Important Resources

Debt Collection Assistance Officer (DCAO) - TRICARE has a [DCAO](#) assigned to TRICARE Regional Offices and MTFs worldwide to help beneficiaries understand and get assistance with debt collection problems related to TRICARE. Individuals who have received a notice from a collection agency or a negative credit report because of a medical or dental bill should be referred to the nearest [DCAO](#).

Family Voices - [Family Voices](#) is a national, grassroots clearinghouse for information and education concerning the health care of children with special health needs. Family Voices also has [State points of contacts](#) with useful links to State programs and organizations.

Installation Specific Information

Special Needs Identification and Assignment Coordination (SNIAC)

The SNIAC process is a program specifically designed for active duty families to:

- Ensure availability of services for family members of active duty military personnel in the event of a PCS move.
- Assists families with relocation when a medical or special education condition exists and services are not available at the current or PCS location.
- Assist families in finding needed resources both on base and in the community.

A medical special need means that the family member requires specialized medical care (urology, neurology, psychiatry, developmental pediatrics, etc.) for an ongoing, chronic illness.

An educational special need means that a family member requires special educational services in order to progress academically. These services are identified in an Individualized Education Plan (IEP) or Individualized Family Service Plan and may include resource rooms, psychological services, occupational or physical therapy, and/or adaptive equipment.

Enrollment is mandatory for all active duty military personnel who have a family member with a special need. SNIAC personnel can help to ensure needed services will be available, on or off base, prior to a PCS move. They can also help with SNIAC reassignments and deferments.

The Air Force ensures families with special needs are assigned to locations where required services are available. Family Member Relocation Clearance (FMRC) is a screening process used to identify special needs and determine the availability of services at projected locations. The SNIAC process does not affect who is eligible for PCS, TDY, or mobility. Enrollment will continue as long as a special need exists.

Contact the SNIAC staff at 707-423-5168 for more information about enrollment. You can also go by the Life Skills Support Center on the first floor at DGMC to get further information. Hours of operation are 8:00 am until 5:00 pm, Monday - Friday.

Education - Special Education/EIS

Exceptional Family Member Program

The [Exceptional Family Member Program](#) (EFMP) is mandatory for all family members who have been identified with a special medical or educational need. Enrolling in the EFMP ensures that the family member's medical needs will be considered during the assignment coordination process.

Children from Birth to Three Years of Age

The Individuals with Disabilities Education Act (IDEA) requires all States and territories to provide [early intervention services](#) to children from birth to age three who are developmentally delayed, or who are at high risk of being developmentally delayed. Early intervention services may be provided by local school districts or health departments. There is no common name across States for the programs, but you may hear them referred to as Part C programs (because Part C is the section of the IDEA that pertains to early intervention).

The [National Early Childhood Technical Assistance Center](#) provides a list of State Part C directors and funded programs at their web site. [Military OneSource](#) can identify local early intervention programs for you.

- Parents of children who receive early intervention services should hand-carry a copy of the Individual Family Service Plan (IFSP) and most current evaluation reports to the new location.

Children from 3 through 21 Years of Age

The Individuals with Disabilities Education Act (IDEA) requires all States and Territories to provide [special education services](#) to children who are from 3 through 21 year of age. Each local school district has a special education director, and each school should have a case study committee or school based committee (terms differ) that attends to special education students' needs.

Parents of children receiving special education and related services should hand-carry all pertinent school and medical documents to include their children's Individualized Education Program (IEP) and current testing and evaluation reports to the new school.

The IDEA requires that if a child transfers to a district in the same state, the receiving school must provide comparable services to those in the child's IEP from the sending district's until the new school develops and implements a new IEP. If a child transfers to another State, the receiving district must provide comparable services to those in the child's IEP from the sending district until the receiving district completes an evaluation and creates a new IEP.

Others who can help you:

Parent Training and Information Centers Each state is home to at least one Parent Training and Information Center (PTI). PTIs serve families of children and young adults from birth to age 22 with all disabilities: physical, cognitive, emotional, and learning. They help families obtain appropriate education and services for their children with disabilities; work to improve education results for all children; train and inform parents and professionals on a variety of topics; resolve problems between families and schools or other agencies; and connect children with disabilities to community resources that address their needs. [The Technical Assistance Alliance for Parent Centers](#) provides addresses and phone number of the centers in your state.

STOMP (Specialized Training of Military Parents) is a federally funded Parent Training and Information (PTI) Center established to assist military families who have children with special education or health needs. The staff of the [STOMP Project](#) are parents of children who have disabilities and have experience in raising their children in military communities and traveling with their spouses to different locations.

Installation Information

While every special education requirement may not be able to be met in every school, there is a broad range of services and programs available. In order to make sure their specific needs are met, children who have special needs and requirements may be transported to a different school within the local area if they cannot be accommodated at the closest school.

Members should contact the Special Needs Identification and Assignment Coordination Process Office (formerly EFMP) at their current base before leaving, and they should contact the Travis office upon arrival.

We would also recommend that you visit the local school where you plan to live to find out what services are readily available and how your child's individual needs can be met.
